The nature of the security safeguards that have been implemented to ensure the confidentiality and integrity of the personal information of all our clients under the care of the body can be identified as follows:

We take care to ensure that the training of all staff members on all legislative changes and additions regarding POPIA and PAIA is up to date.

All client documentation including FICA documentation, underwriting requirements and contact information is only available to the Financial Advisor, administrator and Compliance Officer dealing directly with said client.

All staff members take care to include Data Encryption and password protection on client documentation such as policy schedules and annual renewals.

Anti-virus and Anti-malware Solutions are included on all hardware supplied to all staff members by Prestige Wealth Managers.

Prestige Wealth Managers utilises Cloud solution software where access to client files and documentation is managed and limited, reducing the access to client documentation within the organisation.
